

July 2018

Hey Neighbor!

The Dahlonega Woman’s Club (DWC) is gearing up for our 6th fun-filled Scarecrow Stomp and we could use your help supporting our Lumpkin County Library! The Scarecrow Stomp is held during the month of September and features locally made scarecrows that are displayed around the city square and at some outlying businesses. It’s a competition for prizes and bragging rights until next year! Since 1912 the Dahlonega Woman’s Club has been an educational and service-oriented organization dedicated to working with various charities and educational programs to the benefit of many in our Dahlonega/Lumpkin County community. In 2017 the club invested over \$8900 in local organizations; awarded \$4000 in scholarships to Lumpkin County High School graduates; awarded \$1200 in scholarships to adult education; and volunteered over 6000 hours of community service. Any support that you feel you can give us will be appreciated very much. Please call Betty Petrie at 706-867-0958 or Lori Stapleton at 706-867-6694, or email dahlongawomansclub@gmail.com if you have questions or would like to discuss this request. Your Dahlonega Woman’s Club thanks you for considering our worthy cause.

Sincerely,

Betty Petrie

Lori Stapleton
